**COMMENTS FROM THE FLOOR:**

The Airpark Committee respectfully requests that members and guests keep all vehicles off of the Airpark runway. Park only in ‘Parking Area’. The Airpark property is not a golf driving range nor a snowmobile course. Damage has been done to the runway cones which had to be replaced. Enjoy the Airpark but please respect the property! An inquiry was made as to organizing a Goose Round Up for 2019. The association was not forwarded an application from the State of MI, therefore no Round Up will occur this year.
